Important Transfer Information

Eligibility for HSA Transfer

You may only transfer funds into a Driven Benefit Administrators HSA from an HSA, Archer MSA or IRA. You may only transfer funds if you are the consumer of the transferring HSA, Archer MSA or IRA. If you are the surviving spouse of a deceased consumer, or the former spouse of the consumer who is receiving an interest in the HSA, Archer MSA or IRA pursuant to a divorce or separation agreement, then contact Driven Benefit Administrators for additional instructions.

One-Time Transfer from a Roth or Traditional IRA to an HSA

IRA transfers count toward and are limited to your maximum HSA contribution for the year. The amount of your IRA transfer is not allowed as a deduction. Your funds will be returned in the event that the deposit amount, when added to your total cumulative year-to-date contribution, exceeds the maximum annual contribution threshold as determined by the IRS. Generally, only one transfer may be made during the lifetime of an individual. Penalties may apply if High Deductible Health Plan (HDHP) coverage does not continue for 12 months. This transfer option does not apply to SEP or SIMPLE IRAs.

Excess Contributions

You are not permitted to transfer excess contributions from an HSA, Archer MSA or IRA to a Driven Benefit Administrators HSA. If any portion of your transfer is or becomes an excess contribution, it is your responsibility to notify Driven Benefit Administrators and request a withdrawal of the excess contribution together with any net income attributable thereto.

Investments

Your HSA will be invested as provided under your HSA arrangement with Driven Benefit Administrators

Additional Information about HSAs

See IRS Publication 969 Health Savings Accounts and other Tax Favored Health Plans, for additional information about HSAs. This publication is available free from the Internal Revenue Service and is available through the IRS Web site: www.irs.gov.

Direct Rollover

If you have already received a distribution from your HSA or IRA, you may be eligible to make a rollover into your Driven Benefit Administrators HSA (instead of a transfer). Rollovers can be deposited into your Driven Benefit Administrators HSA via the HSA Contribution Form.
